

## HIGH-PERFORMANCE PET STRAP

Strong, Elastic, Sustainable:

### Highlights

#### Sustainable

Strap manufactured from recycled consumer polyester material, the PET strap can be reentered into the material cycle post-use

#### Robustness

Due to an elastic memory and PET strap provide exceptional break strengths, ideal for a wide range of packaging needs

#### Performance Engineering

Designed & engineered with a proprietary process to minimize splitting, ensuring superior tension retention

#### Efficient

Minimum tensioning effort due to controlled surface properties and high impact resistance, maximizes tool & machine efficiency

### Features and Benefits

**Ideal for  
Transportation**

**Versatile  
Applications**

**Workplace Safety  
Compliant**

**Cost  
Effective**

## Technical Specifications

Product	Type	Width (mm)	Thick (mm)	Break load (Kg)	Coil Length (Meters)
10 × .50	Smooth	10	0.5	201	3522
12 × .7	Smooth	12	0.7	340	2096
16 × .9	Smooth	16	0.9	578	1223
16 × 1	Smooth	16	1	643	1101
19 × 1	Smooth	19	1	763	927
19 × 1.27	Smooth	19	1.27	970	730
25 × 1	Smooth	25	1	1020	704
25 × 1.27	Smooth	25	1.27	1300	555
32 × 1.27	Smooth	32	1.27	1710	433
12 × .7	Embossed	12	0.7	320	2444
13 × .70	Embossed	13	0.7	310	2008
16 × .70	Embossed	16	0.7	385	1631
16 × .9	Embossed	16	0.9	548	1387
16 × 1	Embossed	16	1	609	1241
19 × 1	Embossed	19	1	723	1040
19 × 1.27	Embossed	19	1.27	920	810
25 × 1.27	Embossed	25	1.27	1238	611
32 × 1.27	Embossed	32	1.27	1630	475

Tolerances: Thickness +/-0.05mm, Width +/-0.60mm, Break Load +/- 5% Elongation: Plain - 10% to 17%, Embossed - 10% to 20%
